

WBA Woman Lawyer of the Year Information & Nomination Form

The **Woman Lawyer of the Year Award** is given annually by the WBA at its Annual Dinner, held in May. The award recognizes a woman for her exceptional achievements in the legal profession and/or for her extraordinary contributions to the advancement of women in the profession.

The theme for the 2023 Woman Lawyer of the Year is “**Choosing Courage, Leading Authentically, Being Well.**” Our personal and collective journeys take us on many a winding road. We are here, this year, to be together, to celebrate each other, to have this moment in our own personal journeys. The WBA matters and has mattered to so many for 105 years – but the WBA is not just about us. It is about women and girls all over this country and the world. It is about doing the work we must, during our turn, to make their professional and personal lives more secure and certain.

The WBA is looking for nominees who embody the theme of tireless commitment to advancing women lawyers in the profession. The nomination narrative should describe how the nominee has helped further the principles of the WBA mission by advancing and protecting other women lawyers, promoting their improvement, and encouraging friendship.
